ALBUQUERQUE, July 1, 2008 – The New Mexico Board of Dental Health Care has recently revoked the dental license of Dr. Vincent A. Martinez, D.D.S.

The decision followed a Notice of Contemplated Action that the Board of Dental Health Care served Dr. Martinez in November 2007 for violation of the Board's probation order.

The Board issued a Decision and Order to Dr. Martinez ordering that his license be revoked for a period of three years and that he surrender his current license to the Dental Board Office. Despite his license revocation, Dr. Martinez has not surrendered his license and has continued to practice dentistry in the Albuquerque area.

"Practicing without a license is a felony," said Kelly O'Donnell, Superintendent of the Regulation and Licensing Department. "We want to make people aware of this situation in the interest of public health."

Martinez's license number is DD2701. This is the second time Martinez's dental license has been revoked.
