RE: 2020 Instructor Development Workshop

The Education Advisory Committee is pleased to announce an exceptional and timely Instructor Development Workshop which has been approved by the New Mexico Real Estate Commission to fulfill the IDW requirement for all instructor renewals. The workshop is being instructed by one of our own exceptional instructors, Richard J. Gallegos. Mr. Gallegos is a "Designated Real Estate Instructor" (DREI) with the Real Estate Educators Association and has been a real estate education instructor for a number of years, both locally and nationally.

This year's IDW could not be any timelier! Mr. Gallegos has created a series of courses that focus on all levels of "Zoom" instruction. As it appears that distance learning will be the "new normal" and the demand of distance learning courses is on the increase, Richard's instruction will make even the most inexperienced Zoom users and make them as proficient in distance learning as possible. And, to make this as convenient as possible, Richard has scheduled several of these one-hour courses over the next two months.

Attached please find additional information on each of the courses being offered. The cost is more than reasonable for this quality of an Instructor Development Workshop - \$20 per one-hour course or your choice of 3 courses for \$50. Instructors utilizing this IDW for recertification must complete three of the four courses and include the IDW Certificate upon renewal.

These courses will be available to all licensees; so please register as soon as possible. Should you have any questions, please call or e-mail Bob Arguelles, IDW coordinator at (505) 263-7063 or bobarguelles@gmail.com.

We look forward to seeing you all soon and thank you for raising the bar of professionalism for all of our licensees through the instruction you provide.

Sincerely,

Judy Jones
