EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for a real estate licensee in the State of New Mexico.

New Mexico state laws stipulate that a person may not act as a real estate broker without first obtaining a license issued by the New Mexico Real Estate Commission. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The New Mexico Real Estate Commission has contracted with PSI licensure:certification (PSI) to conduct examination approval process and examination testing. PSI provides examinations through a network of computer examination centers in New Mexico. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

EXAMINATION STUDY MATERIALS

The following is a list of possible study materials for the real estate examination. The list is given to identify resources and does not constitute an endorsement by PSI or by the New Mexico Real Estate Commission. Use the latest edition available.

Once you have passed the required examination(s), you must apply for licensure with the Commission by mailing the completed License Application Form (found at the end of the Candidate Information Bulletin), licensure fee, all required documentation outlined in the application, including your original Passing Score Report. The Commission will determine your eligibility for licensure. All questions about licensure information should be directed to:

New Mexico Real Estate Commission  
5500 San Antonio Dr. NE Suite B  
Albuquerque, NM 87109  
505.222.9820 • 800.801.7505  
www.rld.state.nm.us/boards/real_estate_commission.aspx

License applicants must apply within six months of passing their final examination.

The Real Estate Commission requires all applicants previously or currently licensed in real estate in another state to submit a certified license history from that state’s licensing agency.

All persons applying for or renewing a New Mexico real estate broker’s license or upgrading an associate broker’s license to a qualifying broker’s license must submit to the New Mexico Department of Public Safety two completed fingerprint cards, a completed company or law enforcement agency Fingerprint Certification Form, and a check or money order for $44.00 payable to the New Mexico Department of Public Safety. A fingerprinting instruction sheet (titled New Mexico Real Commission Broker Fingerprinting Program Begins January 1, 2012) and a Fingerprint Certification Form are found at page 18 and 19. Please see the Real Estate Commission web site at www.rld.state.nm.us/boards/real_estate_commission.aspx for a statewide list of public and private providers of fingerprinting services. Fingerprint cards may be obtained from the New Mexico Real Estate Commission by contacting Commission Chief Investigator Lyn Carter at (505) 222-9881, or email at lyn.carter2@state.nm.us.

License applicants must provide proof of errors and omissions insurance to the Commission with their license application packet.

All active real estate Brokers are required to have errors and omission insurance. Licensees may obtain insurance from the Real Estate Commission’s contract insurance carrier, Rice Insurance Services, or from another carrier provided the carrier certifies to the Commission that their coverage is equivalent to the contract program. License applicants who intend to work for a brokerage that has a group insurance policy with an insurance company other than Rice Insurance Service should ask their Qualifying Broker to provide them with a certificate of insurance verifying current coverage, and verifying that the coverage being provided is equivalent to the coverage being provided by the Commission’s contract insurance carrier as required under Part 5 of the Commission Rules.

New Mexico Real Estate Commission  
Broker Fingerprinting Program

Applicants for licensure by the New Mexico Real Estate Commission and applicants for license renewal are required to be fingerprinted. The fingerprinting requirement was enacted by the 2011 state legislature at the request of the Real Estate Commission as a public protection measure and to ensure that in-state and out-of-state license applicants are treated equally in the criminal background check process. The criminal history record includes information concerning a person’s arrests, indictments or other formal criminal charges and any dispositions thereof, including convictions, dismissals, acquittals, sentencing, and correctional supervision.

Effective November 5, 2013, the New Mexico Department of Public Safety (DPS) is converting to an electronic Live Scan system of fingerprinting and will no longer accept hardcopy fingerprint cards.

Prior to being fingerprinted for purposes of initial licensure or license renewal at one of the approved Live Scan sites (statewide site list attached), licensees will be required to register on the vendor web site at www.cogentid.com by selecting the Fingerprint Card User box. Licensees will need the New Mexico Real Estate Commission identifier number, which is NM920263Z, to register. Licensees may also register by telephone at 1-877-996-6277.

Licensees may pay the $44.00 fingerprint processing fee on line on the www.cogentid.com website using a credit or debit card at the time of registration, or pay the fee by money order or cashier’s check at a Live Scan site at the time of fingerprinting. No cash or personal checks will be accepted.

Because fingerprints will be transmitted to DPS electronically, licensees will no longer have to mail hardcopy fingerprint cards to DPS. However, licensees should ask the Live Scan vendor to complete the Fingerprint Certification Form found in the new applicant or renewal packet as licensees will still be required to submit that form to the Commission along with their application or renewal paperwork.

PLEASE NOTE THAT LICENSEES WILL STILL HAVE THE OPTION TO BE FINGERPRINTED BY PROVIDERS THAT ARE NOT LIVE SCAN VENDORS. However, licensees choosing that option will have to mail the completed hardcopy fingerprint cards and the $44.00 processing fee to 3M Cogent, New Mexico CardScan, 5025 Bradenton Avenue, Suite A, Dublin, Ohio 43017

LICENSEES RESIDING OUTSIDE OF NEW MEXICO who do not have access to a Live Scan site may submit hardcopy fingerprint cards and payment to 3M Cogent at the above address. In order to accommodate licensees who do not have access to a Live Scan site, the application and renewal packets will continue to include hardcopy fingerprint cards.

Please do not hesitate to contact Real Estate Commission Chief Investigator Lyn Carter at (505) 222-9881 if you have any questions or encounter any difficulties with the registration process.
