

Have you heard about Continuous Professional Development?

Tired of COLLECTING CE just for the hours?

Want credit for the PROFESSIONAL LEARNING you do every day?

The New Mexico Board of Pharmacy has authorized a pilot study in Continuous Professional Development. Any New Mexico licensed pharmacist can participate.

1. Complete the orientation program available at <https://hsc-moodle.health.unm.edu/moodle/>
[select *Pharmacy*; select *NM Pharmacists CPD*]
2. Then if you wish to participate in the program, notify Kristina Wittstrom, RPh:

Participation in the pilot study exempts you from the current CE requirements; however:

- There is no change in the number of required hours.
- There is a change in acceptable learning activities.
 - accredited by ACPE, AACME, ANCC
 - non-accredited (in-house or employer based)
 - Live or self-study count the same
- Learning record required for each activity submitted.
