

# NM REC IDW 2020 / IDW#1 SUPPORT PRIMER

## Attendee Requirements / Tech Specs

- ☀ Review “Zoom” specs in advance to verify compatibility \*
- ☀ Keep your camera on at all times unless otherwise directed
- ☀ Keep your microphone muted at all times until called on

TEST YOUR ZOOM CAPABILITIES

\* Please see this link to verify that your operating system and hardware are compatible to support the Zoom platform. Please do this far in advance of your IDW course to eliminate any issues during the session: <https://zoom.us/test>

## How much do you know about the Zoom platform?

Zoom meetings can be joined from a previously downloaded “\_\_\_\_\_” or from a \_\_\_\_\_ that follows the tech specifications. There are also ever-evolving “plug-ins” being made available, such as calendar applications. As Zoom is a tech-driven format, you can expect this list to grow, but as of this 2020 course, devices using Windows, IOS, Android, and Blackberry are also supported.

### IDW#1 Ques1

1. Zoom allows you to . . .

- a) Show videos
- b) Use a powerpoint
- c) See and hear participants
- d) All of the above

## Which of these devices can be used for hosting or joining a Zoom meeting?

Laptop or PC

Tablet Device

Smart Phone
