New Mexico Board of Pharmacy

Dear Sirs / Madams

I have retired as of January 1, 2015. Originally it was my intention to not renew my pharmacist license. However, after reconsideration, I have decided to renew the pharmacist license. As of today, I may have only six credit hours of continuing education.

I am requesting of the Board a waiver which allow me time to complete all requirements for ~~new~~ renewal of license

Respectfully

Ignacio L. Sandoval
