Topic/System Updates for the Program Sunset of the State of New Mexico Payday Loan Transaction System www.nmpdl.com

Highlights Please see the below schedule of updates associated with the program sunset of the State of New Mexico Payday Loan Transaction System www.nmpdl.com.

Updates

- 12/21/2017 at 8:00 pm ET: Post a system message: "**NOTICE:** Effective **January 1, 2018**, the New Mexico Payday Loan Transaction System will no longer allow new loans to be added. The lender website will be accessible for the month of January to allow review of prior data and to view final billing information. On **February 1, 2018**, all access will be discontinued. Please contact Customer Service if you have any questions."
- 1/1/2018: Update all lenders to RESTRICTED status.
- 1/1/2018: Shut down state's supporting report site <https://nm.veritecreports.com>.
- 1/5/2018: Allow billing to run, invoices post to www.nmpdl.com.
- 2/1/2018: Shut down lender website www.nmpdl.com.
- 2/1/2018: Disable all future NM scheduled jobs.

We do not expect any system downtime during these updates. If any outages should occur we will send an additional communication outlining those events.
