Q: If I renew my license on January 31, 2017, does that mean I should be prepared for these new requirements including the 36 hour cumulative requirement?

YES

Q: If I took the 8 hour NMREC Mandatory Course, is that sufficient even for renewals that take place in 2017?

YES

Q: But if I took the 8 hour NMREC Mandatory Course, would I have to still take the 4 hour CORE COURSE?

NO, the Mandatory meets the requirement.

Q. What if I did not take the Mandatory and renew in 2017?

A licensee would then have to take a 4 hour CORE COURSE as a condition of renewal

Q: Does taking the NMREC Mandatory Course exempt a licensee from the \$ hour CORE COURSE PLUS the 4 hour ethics, and the 4 hour core elective?

*NO. Only exempts them from having to take the annual NMREC CORE COURSE. The licensee who renews after January 1, 2017, **MUST TAKE A 4 HOUR ETHICS COURSE AND A 4 HOUR "CORE ELECTIVE"**.*

Q. Can the 4-hour ethics course requirement be any ethics course?

Presently, yes, as long as the course is NMREC approved and has an 8 digit course number.

Q. What are the Core Electives we can choose from? Where do I find them?

The licensee can meet the 4-hour Core Elective requirement by taking any of the courses from the list of core electives (live or on-line) approved by the NMREC.
