We have input validations in place to enforce proper data entry to the CCD System:

- Phone Number, SSN, ITIN numbers field is auto formatted

_

- Date of Birth Format: MM/DD/YYYY (At least of 21 years of age)
 - An error will be displayed if another date entry format is entered prior to save

We have duplicate rules in place to enforce no duplicates are created in the CCD System:

- User will check validations for same 'Last Name' + 'Date of Birth' + 'Identifier Type' + 'Identifier Number (SSN/ITIN)' + 'Email Address' and not allow user to register if they have already registered & prompt them to login.
- If the Primary Controlling Person is the Primary Controlling person of multiple businesses, that person needs to create a separate login(s) for each of their businesses with different email addresses.

Step 4: A green text is shown indicating you have successfully registered to the CCD System, and you will be routed to the home page to login to the CCD System.
